New Year

2012

To,

Our Beloved Students,
Their Guardians,
Staff Members and
Well Wishers

*Wishing you & your family a
Very Happy & Prosperous*
NEW YEAR

Greetings

As we march towards a New Year, we leave behind our memories and achievements in the year that passed by. Last year was quite eventful and we bid adieu to it on an upbeat note. We had some success last year and we hope to have many more in this year. To achieve this, we promise to improve upon our endeavours. We have taken a vow to rededicate ourselves to take KIIT to new heights through excellence. May this New Year bring peace and happiness to all our friends, well wishers, students, staff and all stakeholders.

Dr. Achyuta Samanta
Founder, KIIT & KISS

KIIT UNIVERSITY
[Declared U/S 3 of UGC Act, 1956]
BHUBANESWAR, ODISHA, INDIA

KIITEE-2012

(KIIT Entrance Examination)

KIIT Entrance Examination (KIITEE) is the All India Entrance Examination conducted by KIIT University, Bhubaneswar for admission into following courses of the University. **KIITEE-2012 will be held on 22nd April, 2012 (Sunday) in 120 centers across India**

COURSES AVAILABLE

- ◆ Engineering
- ◆ Medical
- ◆ Dental
- ◆ Nursing
- ◆ Law
- ◆ Computer Application
- ◆ Biotechnology
- ◆ Fashion & Film

Application Form & Prospectus of KIITEE-2012 will be available in the University websites with effect from **10th January- 2012**

Editorial

The New Year 2012 promises to be even more eventful than 2011 and it became evident when we first received the information about the hosting of 99th Indian Science Congress in the campus from 3-7 January. With almost a century old legacy, Indian Science Congress Association holds its annual session in different parts of the country. The event provides the scope for interaction between great scholars of science. Every year this event grows a little bigger with more members joining it. This edition of Science Congress is not only bigger in terms of participation, but also in terms of topics to be discussed in various sections. Every topic discussed and every lecture delivered by the great men of science would enrich the society at large. By successful hosting of 99th Indian Science Congress, KIIT's stature increased still further. In no uncertain terms it proved that nothing is impossible for KIIT, since it tries to do things with sincerity, dedication and strong conviction. The 7th Convocation on 6th January is one more important milestone in KIIT's journey. Through conferment of Honoris Causa D.Sc. on the distinguished corporate leader, Mr. H. M. Nerurkar, D.Litt. on Dr. D. Y. Patil and Dr. Narendra Jadhav and D.Law on Ms. Pinky Anand, KIIT definitely feels honoured. It is often said that morning shows the day and with such a great beginning of 2012, KIIT has many more accomplishment to achieve in the coming days.

May the 2012 bring peace and prosperity to all.

'Science and Technology for Inclusive Innovation: Role of Women'

ALL ROADS LEAD TO KIIT

Come January, all roads will lead to KIIT. Every year on this day, Indian Science Congress, the greatest scientific extravaganza, takes one institution and city by storm, and in 2012 it is KIIT and Bhubaneswar. The 99th Indian Science Congress hosted by KIIT in partnership with NISER at KIIT opens on 3rd January 2012 in the hands of Dr. Manmohan Singh, Hon'ble Prime Minister of India. This 99th ISC is unique in many ways. The Children's Science Congress, Women's Science Congress, Science Communicators' Meet, the Science Film Festival, the Science Exhibition held simultaneously would fill the entire city with sciential atmosphere. The holding of UNESCO-Kalinga Award celebration in KIIT during the 99th Science Congress would definitely be icing on the cake.

There could not have been a better New Year gift to the state of Odisha in general and to KIIT University in particular than the 99th Indian Science Congress. After a long gap of 35 years, this prestigious scientific event is being held in KIIT University from 3rd – 7th January, 2012. KIIT has passed the litmus test to get the Indian Science Congress in its campus despite being so young. It is indeed a challenge for everyone in KIIT because this edition of Indian Science Congress is going to be the biggest ever where 15000 delegates including several Nobel Laureates will be participating. It is not the Indian Science Congress alone which will happen in KIIT during this time. The entire city of Bhubaneswar will be filled with sciential atmosphere because of several other events happening in the sideline of the 99th Science Congress. **The Children's Science Congress, Women's Science Congress, Science Communicators' Meet, Science Film Festival and Science Exhibition held simultaneously are expected to be attended by at least 25000 people daily. The holding of UNESCO-Kalinga Award celebration in KIIT during the 99th Science Congress would definitely be the icing on the cake.** As customary it is, the Prime Minister only inaugurates the Indian Science Congress but this year there has been an exception. The Prime Minister unlike the previous occasions has consented to be present on the inauguration and the valedictory function of the Science Congress. **It is for the first time, this Science Congress will have a segment exclusively for the women scientists under Women Science Congress where scientists of national and international repute would come and speak on several important issues.** Incidentally the theme of this year's Science Congress has been 'Science and Technology for Inclusive Innovation: Role of Women'.

First Women's Science Congress: Women in Science and Science for Women

Date: 5-6 January 2012

While the 99th Indian Science Congress would be inaugurated by Hon'ble Prime Minister Dr. Manmohan Singh, the Children Science Congress will have the former President Dr. A.P.J. Abdul Kalam as its inaugurator. The Women's Science Congress will have Smt. Nirupama Rao, Indian Ambassador to US as its inaugurator. In most of these events the Union Minister of Science and Technology Sri Vilasrao Deshmukh, Sri Ashwani Kumar, Union Minister (State) Science & Technology, His Excellency the Governor of Odisha, Sri M. C. Bhandare, the Chief Minister of Odisha, Sri Naveen Patnaik, Union Minister HRD, Sri Kapil Sibal, Chief Minister of Delhi Smt. Sheila Dikshit will be present, besides scores of eminent scientists. The Indian Science Congress Association (ISCA) started with a handful of members way back in 1914 has grown into the largest scientific association of the world.

KIIT has been fortunate to host the 99th Science Congress just a year before ISCA would celebrate its Centenary year. The academic excellence and the quality of KIIT have been put to test because it is not an easy task to have doyens of Indian science in the campus. Though KIIT successfully had organized mammoth conference earlier yet the Science Congress is definitely much bigger than the earlier ones.

With courage and determination backed by the Founder,

Dr. Achyuta Samanta's patience and

perseverance helped each one in KIIT to contribute to the success of the 99th Indian Science Congress.

The Children's Science Congress, Women's Science Congress, Science Communicators' Meet, Science Film Festival and Science Exhibition held simultaneously are expected to be attended by at least 25000 people daily.

This great occasion has given KIIT the scope to showcase

Odisha in all its colour and grandeur. The Odisha Mandap, will unfold the state before thousands of visitors coming from all parts of the globe. While everyone would be busy in the Indian Science Congress, KIIT would have its 7th Annual Convocation on January 6, 2012 in which the Convocation address would be delivered by the Hon'ble Dy. Chairman of the Planning Commission, Shri Montek Singh Ahluwalia and like previous years four distinguished persons would be awarded Doctorate (Honoris Causa).

This great occasion has given KIIT the scope to showcase Odisha in all its colour and grandeur. The Odisha Mandap, will unfold the state before thousands of visitors coming from all parts of the globe.

The Children's Science Congress

NOBEL LAUREATE LECTURES

Prof. Richard R. Ernst
Recipient of Nobel Prize
in Chemistry (1991)

Prof. Rolf M. Zinkernagel
Recipient of Nobel Prize for
Physiology or Medicine (1996)

Dr. Amartya Sen
Recipient of Nobel Prize in
Economic Sciences (1998)

Prof. Kurt Wüthrich
Recipient of Nobel Prize
in Chemistry (2002)

Muhammad Yunus
Recipient of Nobel
Peace Prize (2006)

Ms. Carolyn W. Greider
Recipient of Nobel Prize for
Physiology or Medicine (2009)

Mr. Dale T. Mortensen
Recipient of Nobel Prize in Economic
Sciences (2010)

Sir Robert G. Edwards
Recipient of Nobel Prize in
Physiology or Medicine (2010)

99th Indian Science Congress

Distinguished Speakers

PLENARY SESSION ON HEALTH CARE WITHOUT BORDERS-THE TELEMEDICINE WAY

Shri L.S. Satyamurthy-Chairman
Vice-President, Telemedicine Society of India

Prof. K. Ganapathy-Chairman
President, Apollo Telemedicine Networking Foundation

Dr. B.N. Mohanty
Prof. of Surgery, SCB Medical College, Cuttack

Dr. V. M. Katoch,
Secretary Dept. of Health Research & DG, ICMR Govt. of India, New Delhi

Dr. Remilla Murthy
ANTRIX Corporation, ISRO, Bangalore

Dr. S. K. Mishra
Nodal Officer, SGPGI Telemedicine Program, Sanjay Gandhi PG Inst. of Medical Sciences, Lucknow

Dr. Mandakini Pradhan
Head, Dept. of Reproductive and Child Health, SGPGIMS

Dr. Anjali Mishra
Associate Professor, Department of Endocrine Surgery, SGPGIMS, Lucknow

PLENARY SESSION ON MATERNAL AND CHILD HEALTH CARE-NUTRITION SECURITY

Prof. S.S. Parmar-Chairman
Fmr Chair, Department of Physiology, University of North Dakota, USA

Dr. V. Prakash
Fmr Director, Central Food Technological Research Institute, Mysore

Dr. Devendra Agarwal
Dept. of Biomedical Sciences, Creighton University School of Medicine, USA

Dr. Catherine Chan
Professor-Director, Division of Human Nutrition, University of Alberta, Canada

Dr. Mahtab Sohrab Bamji
INSA Honorary Scientist, Dangoria Charitable Trust, Hyderabad

Dr. Sadhana Ramchandra Joshi
Interactive Research School for Health Affairs, Bharatiya Vidyapeeth University, Pune

PLENARY SESSION ON CLIMATE CHANGE AND FOOD SECURITY

Prof. M.S. Swaminathan-Chairman
Chairman, M S Swaminathan Research Foundation, Center for Research on Sustainable Agriculture and Rural Development

Dr. Madhura Swaminathan
Professor, Indian Statistical Institute

Ms. Mihoko Tamamura
Representative, WPF (World Food Programme)

Dr. V. Selvam
Director - Coastal Systems Research, M.S. Swaminathan Research Foundation,

Dr. A. A. Nambi
M.S. Swaminathan Research Foundation,

Dr. Suman Sahai
Chairperson – Gene Campaign Sainik Farms,

PLENARY SESSION ON FRONTIERS IN ATMOSPHERIC SCIENCES

Dr. Shailesh Nayak - Chairman
Secretary, Ministry of Earth Sciences, Govt. of India

Dr. Jiri Grygar,
Institute of Physics, Czech Academy of Science

Prof. U. C. Mohanty
Course Coordinator, Centre for Atmospheric Sciences, Indian Institute of Technology,

Dr. Shyam Lal
Atmospheric chemistry division, Physical Research Laboratory (PRL),

Dr. D.N. Rao
Director (Research), S.R.M. University, Chennai

PLENARY SESSION ON ASSISTIVE TECHNOLOGIES FOR DIFFERENTLY ABLED

Dr. S.G. Thirumalaisamy
KMCH, Coimbatore

Dr. D.R. Mehta
Founder & Chief Patron, Bhagwan Mahaveer Viklang Shahayata Samiti

Dr. G.V. Ramaraju
Managing Director and CEO, Media Lab Asia

PLENARY SESSION ON TACKLING NEURODEGENERATIVE DISEASES

Dr. Harish Pant - Chairman
NINDS, USA

Dr. Sashi Kesavapany
GSK Singapore Research Center, Singapore

Prof. Janice Robertson
Center for Research Neurodegenerative Diseases, University of Toronto, CANADA

Dr. Ian Maze
The Rockefeller University Laboratory of Chromatin Biology and Epigenetics, New York,

Dr. Thomas Yorio
Provost and Executive Vice President for Academic Affairs, Fort Worth

Dr. Ghanshyam Pandey
Professor of Psychiatry, University of Illinois, Chicago

Dr. P.K. Seth
CEO, Biotech Park, Lucknow

PLENARY SESSION ON NBC TECHNOLOGIES FOR ARMED FORCES AND CIVILIANS

Dr.W.Selvamurthy - Chairman

Distinguished Scientist & Chief Controller
Research & Development, Government of
India, New Delhi

Dr. Sudarshan Kumar

Sc 'G', & Director (CFEES), New Delhi

Dr. V C Padaki

Outstanding Scientist & Director ,
(DEBEL), Bangalore

Dr. R Vijayaraghavan

Outstanding Scientist & Director, (DRDE),
Gwalior *Medical*

Prof. M.P. Kaushik

Process Technology development Division,
Defense Research and Development
Establishment,

Dr. H.V Batra

Sc 'G', Defense Food research Laboratory,
Mysore

PLENARY SESSION ON GREEN BUILDING TECHNOLOGIES

Dr. K.S. Jagdish - Chairman

R.V. College of Engineering, Bangalore

Dr. M.R. Yogananda

Consulting Engineer, Bangalore

Prof. B.V. Venkatarama Reddy

Prof. Of Civil Engg, I.I.S.C, Bangalore.

Subhas C. Basu

Former Asst. Professor of Architecture,
Malnad College of Engg., Hassan.

Dr. Monto Mani

Centre for Sustainable Technologies, IISC,
Bangalore

PLENARY SESSION ON NANOSCIENCE AND DIAGNOSTICS

Dr. H.S. Sharma - Chairman

Laboratory of Cerebrovascular Research,
Department of Surgical Sciences, Uppsala
University, Sweden

Dr. Ueli Aebi

M.E. Müller Institute for Structural Biology,
Switzerland

Dr. A. R. Phani

Chief Scientist – Nanotechnology, INCITE
-TBI, Bangalore

Dr. Abhay Chauhan

Director, Formulation Development
Nanosynthons, USA

Dr. A.N. Singh

WHO Professor, Queens University, Canada

Dr. Ram K. Mishra

Professor, Psychiatry & Behavioral
Neurosciences, McMaster University ,
Canada

Dr. Ritesh Agarwal

Department of Materials Science and
Engineering, University of Pennsylvania,
Philadelphia,

Dr. Srinagesh Satyanarayana

Co-Founder & CEO, Nano Science
Diagnostics, Inc., Austin TX, USA

Dr. Sulatha Dwarkanath

Co-Founder & CT O Nano Science
Diagnostics, Austin TX

Dr. Jamboor K. Vishwanatha

Director, Texas Center for Health Disparities
University of North Texas Health Science
Center, Texas

PLENARY SESSION ON CLEAN ENERGY FROM RENEWABLE SOURCES

Dr. Y.B. Ramakrishna - Chairman

Chairperson, Bio-fuel Board Govt. of
Karnataka, Bangalore

Dr. Shireesh B. Kedare

Adjunct Professor, Dept of Energy Sc. &
Engg, IIT-Bombay,

Dr. Hoysall Chanakya

Centre for Sustainable Technologies, IISC,
Bangalore

Dr. Girish Sant

Prayas Energy Group, Pune

Professor Udipi Shrinivasa

Prof. Dept. of Mechanical Engineering, I
ISC, Bangalore

Dr. Divakar Rao

CEO, DGK Bio Agro Foods & Member
Vision Group on Biotechnology Govt of
Karnataka, Bangalore

PLENARY SESSION ON CANCER STEM CELLS

Dr. Shrikant Anant - Chairman

University of Illinois, Chicago

Dr. A.K. Saxena

Dr. Rita Ghosh

University of Texas School of Medicine,
Texas

Dr. Chendil Damodaran

Texas Tech University Health Sciences,
Texas

Dr. Animesh Dhar

University of Kansas Medical Center ,
Kansas

Dr. Jean Marie Houghton

University of Massachusetts School of
Medicine, Massachusetts

Dr. Melissa H. Wong

Oregon Health & Science University ,
Oregon

KIIT's Bigyan Rath Ignites Sciential Awareness

The Bigyan Rath, an innovative initiative of KIIT University and NISER to popularize science among the youths and common people of the State of Odisha, concluded its state-wide journey in Cuttack, the birthplace of renowned scientist Prana Krushna Parija, on 3rd December 2011

KIIT's Bigyan Rath Ignites Sciential Awareness

Dr. P. K. Patasani, Hon'ble MP, Bhubaneswar, presenting a memento to Bibhusmita Samanta (Great Granddaughter of Renowned Astronomer, Pathani Samanta) in the presence of Dr. A. Samanta, Founder, KIIT & KISS and Prof. A. S. Kolaskar, VC, KIIT University.

The Bigyan Rath, an innovative initiative of KIIT University and NISER to popularize science among the youths and common people of the State of Odisha, concluded its state-wide journey in Cuttack, the birthplace of renowned scientist Prana Krushna Parija, on 3rd December 2011. **Held as a prelude to the 99th Indian Science Congress, to be hosted by KIIT University in association with NISER from 3-7 January 2012, the Rath in its very successful run during 20-day period traveled 4000 kilometers, covering more than 1000 educational institutes and more than 100 towns in all the 30 districts of Odisha, touching each and every individual.** The Rath was flagged off from Khandapada, the birthplace of Pathani Samanta, by Shri M. C. Bhandare, His Excellency the Governor of Odisha on 14th November 2011.

The closing ceremony of the Bigyan Rath, held at Ravenshaw University, Cuttack, was graced by Dr. P. K. Patasani, Hon'ble MP, Bhubaneswar; Shri Bhartruhari Mahtab, Hon'ble MP, Cuttack; Shri Pravat Ranjan Biswal, Hon'ble MLA, Choudwar-Cuttack; Shri Manmohan Praharaj, IPS, Director General of Police, Odisha; Girish S. N, Collector, Cuttack; Dr. R. N. Ray, Chairman, National Children Science Congress; Prof. B. C. Tripathy, VC, Ravenshaw University, Cuttack; Dr. A. Samanta, Founder, KIIT & KISS; Prof. A. S. Kolaskar, VC, KIIT University; and Dr. A. K. Naik, Registrar, NISER; Lalatendu Parija, the son of Late Prana Krushna Parija and Shrikant Parida, President of Ravenshaw University Students union.

Shri M. C. Bhandare, His Excellency the Governor of Odisha flagging off Bigyan Rath at Ramachandra High School, Khandapada, the birthplace of Renowned Odia Astronomer, Pathani Samant Chandrasekhar in the presence of Dr. A. Samanta, Founder, KIIT-KISS, Dr. T. K. Chandrashekar, Director, NISER & others.

(L) Prof. S. Patnaik, Rector, KIIT, Dr. R. N. Ray, Chairman, National Children's Science Congress, Dr. A. Samanta, Founder, KIIT & KISS, Shri B. Mahatab, MP, Cuttack, Shri M. C. Bhandare, His Excellency the Governor of Odisha, Dr. T. K. Chandrashekar, Director, NISER, Prof. A. S. Kolaskar, VC, KIIT & Mr. A. Agrawal, Collector, Nayagarh at the flagging off ceremony of Bigyan Rath at Khandapada, Odisha.

The Bigyan Rath has played a constructive role in taking the message of benefits of science and technology in rural area, said Dr. Patasani. Hailing the initiative of KIIT as unique and innovative, Shri Mahtab said that the grand success of the Bigyan Rath points to the need to organise more such mass contact programmes in the field of science and technology. Dr. Samanta thanked people of Odisha for the success of the Bigyan Rath and extended them invitation to be a part of the mega scientific event to be held in KIIT during 3-7 January 2012. Prof. Kolaskar delivered the presidential address, while Dr. Naik proposed the vote of thanks. **Total 31 toppers of District-level Essay Competition, also organised by KIIT in all the districts of Odisha as a prelude to the 99th Indian Science Congress, were also announced and awarded on the occasion. Last month, Shri Vilasrao Deshmukh, Hon'ble Union Minister of Science & Technology and Earth Sciences had inaugurated the District-level and National-level essay competition at KIIT.** In the junior category, 30 toppers, one from each district, were awarded with Rs. 10,000/- and a certificate each. Sole winner in the senior category received Rs. 15,000/- and a certificate. Ms. Bibhusmita Singha Samanta, fourth generation of Pathani Samanta, was also felicitated on the occasion. Result of National-level essay competition will be declared during the 99th session of Indian Science Congress.

Workshop on Plasma Processing for
Thermonuclear Fusion and Industrial
Applications at KIIT

5th Foundation Day Lecture of
KIIT School of Rural Management

Mega Blood Donation Camp:
KIIT Creates Record

Dr. A. K. Das, Head Laser and Plasma Technology Division, BARC, Dr. S. Nanda, CIR, KIIT University, Dr. B. B. Patra, Dean, School of Applied Sciences, KIIT University, Dr. Rabindra Pal, Scientist, Saha Institute of Nuclear Physics, Kolkata, Dr. S. K. S. Parashar, CONVENOR, PPTFIA-2011, Dr. J. Govindarajan Co-Chirman (Board of Research Fusion Science & Technology) BRFST and Dr. P. K. Atrey, Secretary, BRFST graced the workshop, among others .

Workshop on Plasma Processing for Thermonuclear Fusion and Industrial Applications at KIIT

Dr. B. B. Patra, Dean, School of Applied Sciences, Dr. A. K. Das, Head Laser and Plasma Technology Division, BARC, Dr. Rabindra Pal, Professor, Saha Institute of Nuclear Physics, Kolkata, Dr. G. J. Samathanam, Advisor and Head (TDT), Department of Science & Technology, Prof. S. Nanda, Research Chair, KIIT, Mr. P. K. Atrey, Secretary, BRFST and Dr. S. K. S. Parashar, Faculty, School of Applied Sciences, KIIT University at the workshop.

School of Applied Sciences, KIIT University organized a National Workshop on "Plasma Processing for Thermonuclear Fusion and Industrial Applications" (PPTFIA-2011) on 10th -11th November, 2011 with association with PSSI, Gandhinagar. **The workshop was inaugurated by Dr. G. J. Samathanam, Advisor and Head (TDT), Department of Science & Technology and attended by many well-known scientists from all over India working in this field.** The inaugural and closing ceremonies were attended by many professors, senior faculties, research scholars and students from different schools of KIIT and other institutes from all over India.

Research in the recent developments in Plasma Technology and their applications in various fields like waste management, textile technology, nanotechnology, biological science in industry, etc were deliberated at the workshop. Among the scientists who participated at the workshop were Dr. A. K. Das, Head Laser and Plasma Technology Division, BARC, Dr. S. Nanda, CIR, KIIT University, Dr. B. B. Patra, Dean, School of Applied Sciences, KIIT University, Dr. Rabindra Pal, Scientist, Saha Institute of Nuclear Physics, Kolkata, Dr. S. K. S. Parashar, CONVENOR, PPTFIA-2011, Dr. J. Govindarajan Co-Chirman (Board of Research Fusion Science & Technology) BRFST and Dr. P. K. Atrey, Secretary, BRFST.

Similarly, Dr. Subroto Mukherjee, Head, FCIPT Division, Dr. P. B. Jhala, Advisor, Plasma Textile Application, FCIPT, Institute for Plasma Research (IPR), Dr. Rajeev Sharma, DST, Mr. Paritosh Choudhury, Head, TBM, IPR, Dr. P. S. Mukherjee, Head, Materials Group, IMMT, Bhubaneswar, Dr. K. G. K. Warriar, Dy. Director, National Institute for Interdisciplinary Science and Technology (NIIST) Thiruvananthapuram, Kerala were prominent speakers. Senior officials from DST, BRFST, BARC and IPR promised help for innovative project proposals in various fields of research.

5th Foundation Day Lecture of KIIT School of Rural Management

Shri B. K. Sinha, IAS, Secretary, Ministry of Rural Development, Government of India delivered the 5th Foundation Day Lecture of KIIT School of Rural Management. His talk focused on the extreme disparities within India and how various rural development schemes are striving to combat these disparities. He advised the budding rural managers from KSRM to strive to bridge the governance and management deficit by their work in the development sector and the government. His talk also dwelt on the revolutionary potential of Information Technology in the arena of rural development.

(L) Prof.L.K.Vaswani, Director, KIIT School of Rural Management, Dr. A. Samanta, Founder, KIIT & KISS, Shri B. K. Sinha, (IAS), Secretary, Ministry of Rural Development, Govt of India & Prof. A.S. Kolaskar, VC, KIIT at the 5th Foundation Day Celebration of KIIT School of Rural Management.

In his welcome address, **Dr. A Samanta, Founder, KIIT & KISS explained how KSRM was founded with the guidance and inspiration from Dr. Varghese Kurien, the father of India's White Revolution.** Prof. L. K. Vaswani, Director, KSRM said that the school is unique in terms of promoting students research to build its knowledge base and feed the same into its curriculum. The Student's

Research Compendium-Kaleidoscope 3, containing details of field projects undertaken by students with support of more than 200 partner organization, was released on the occasion. KSRM also released its Working Paper Series. Prof. A. S. Kolaskar, Vice-Chancellor, KIIT University said KSRM acts as a link between the KIIT University and the social service oriented KISS (Kalinga Institute of Social Sciences). Prof. Prasun Das proposed vote of thanks. Foundation stone of KSRM was laid on 20th November, 2006 by Dr. Kurien. Foundation Day Lecture Series was instituted to honour entrepreneurs, practitioners and policy makers in the field of rural development and governance.

Mega Blood Donation Camp: KIIT Creates Record

KIIT made all time record in blood collection in a Mega Blood Donation Camp organized by 'Ama Odisha' at KIMS on 19th November 2011. Total 1524 units of blood were collected at the camp. Never before such a high quantity of blood has been collected from any single institute in a single day. Of those who donated blood, 80% were students of various schools of KIIT who were donating blood for the first time. There was high participation of girls in the camp.

Shri Soumya Ranjan Patnaik, Chairman, 'Ama Odisha' & Editor, Sambad and Dr. A. Samanta, Founder, KIIT & KISS inaugurated the camp at 8.00 AM in the morning. Blood donation is not an act of charity, said Dr. Patnaik, while explaining that it is good for well being of self. Blood cannot be made by artificial means, he said. Blood donation is a duty as well as an act of giving back to the society, he added. Expressing satisfaction at the success of the camp, Dr. Samanta thanked all the donors for their noble act. Blood of an individual has saved four lives today, said Dr. M. P. Mohanty, Hon. Secretary, Red Cross Odisha. He exhorted youths to donate blood in large numbers. Dr. S. C. Dash, Director, KIMS and Dr. B. C. Das, Principal also spoke on the occasion. Doctors and staff of 11 blood banks helped in blood collection at this blood donation camp. KIIT and 'Ama Odisha' had made extensive arrangements to make this mega camp systematic and successful.

(L) Dr. B. C. Das, Principal-cum-Dean, KIMS, Dr. A. Samanta, Founder, KIIT & KISS, Mr. S. R. Pattnaik, Editor, Sambad, Dr. M. Mohanty & Dr. S. C. Dash, Director, KIMS at the inauguration of Mega Blood Donation Camp organised by 'Ama Odisha' at Kalinga Institute of Medical Sciences (KIMS).

KIITians Shine in TGMC of IBM

KIIT organises National Marketing Conclave

The National Marketing Conclave spread over three sessions saw deliberations on three key aspects related to the topic - Fundamentals of Customer Engagement, Measuring Customer Engagement and Using Technology to Improve Engagement.

KSOM Faculty Presents paper in International Conference in Singapore

Dr. Ipseeta Satpathy D.Litt. Associate Professor OB & HRM, School of Management KIIT University attended the International Conference on Human Resource Management and Professional Development for the Digital Age (HRM & PD 2011), held at Hotel fort Canning, Singapore, 7th & 8th of November 2011, organized by Global science and technology Forum Dr. Satpathy presented a paper on Corporate reporting on Sustainable Practices in Different Organizations: A Survey. This paper was published in the proceedings of the conference.

Faculty Authored Book Published From LAMBERT-Germany

Dr. Biswajit Das has co-authored a book named 'Socio-Economic Journey of an Impoverished Eastern Indian State' published by LAP-LAMBERT Academic Publishing-Germany recently. This book vividly portrayed the story of Odisha in its developmental initiative, lacunae in distribution, detrimental factors to growth and suggested approach to the issues and challenges. The book is holistic and has touched upon most of the aspects of life in Odisha.

KIITians Shine in TGMC of IBM

The Great Mind Challenge 2010 – (TGMC) of IBM is the Largest Technical Contest for engineering students recognized by Limca Book of Records. In this contest, 34070 teams, 1642 colleges, 120450 students, 34070 faculties participated. KIIT team, named PSYCHED, from School of Computer Engineering, KIIT University comprising of students Apurwa Raj, Ayush Raj, Arun Kumar, Bhupender Singh along with their mentor Prof. Prachet Bhuyan were felicitated for being in the Top 20 teams in TGMC-2010. They received certificate of excellence for the project titled "e-Post Office". Prof. Prachet Bhuyan was also felicitated with DRONA Award as one of the best ten mentors for TGMC-2010. The felicitation was held at Leela Palace, New Delhi on 15th November 2011.

Marketing Conclave

(L) Prof. A. S. Kolaskar, VC, KIIT University, Mr. Salil Sahu, MD, Home Store India, Dr. A. Samanta, Founder, KIIT & KISS, Mr. V. Jaipurkar, CEO, Jubilant Industries Ltd and Prof. Ashok K. Sar, Dean, KIIT School of Management at the National Marketing Conclave held in KIIT.

Kolingo Industrial Technology

National Marketing Conclave at KIIT

A National Marketing Conclave - 2011 was organised by the School of Management of KIIT University on 10th December, 2011. The inaugural ceremony of the conclave was graced by Mr. V. Jaipurkar, CEO, Jubilant Industries Ltd., Mr. Salil Sahu, MD, Home Store India, Dr. Achyuta Samanta, Founder, KIIT & KISS, Prof. Ashok Kolaskar, Vice Chancellor, KIIT University and Prof. Ashok K. Sar, Dean, KIIT School of Management. Given a significant change in the way today's consumers interact with the brands, especially because of the rise of social networking, greater access to internet and information, shortening attention span and decreasing brand loyalty, the chosen theme for this year is 'Customer Engagement: Changing Paradigms'.

The event was attended by several corporate honchos including Mr. V. Jaipurkar, CEO, Jubilant Industries, Mr. Salil K. Sahu, MD, Home Stores India, Ms. Meenal Jadhav, Principal Consultant, Heidrick and Struggles, Mr. Sankar Ramamurthy, Executive Director, PWC, Mr. Indraneel Ganguly, Sr. VP – Global Marketing & Comm., Mahindra Satyam, Mr. P.S. Ghosh, Director – Commercial, Pfizer, Mr. V. Sivaramakrishnan, President – Distributed Learning Services, Manipal Group and Mr. Biju Zachariah, Business Head, Excelsoft. The event, spread over three sessions saw deliberations on three key aspects related to the topic: Fundamentals of Customer Engagement, Measuring Customer Engagement and Using Technology to Improve Engagement. The day-long event saw a congregation of Research Scholars, Academicians, Corporate Representatives and Students from across the country. This conclave follows similar ones in the areas of HR and Finance, keeping with KSOM's attempt to bring corporate India closer to business school classrooms.

Delegates of the National Marketing Conclave.

KIIT organises National Marketing Conclave

Limb saving surgery, a treatment of choice in the present day, is now happening in Odisha – at KIMS. In KIMS, a hospital with super-specialist care, sophisticated surgeries like arthroscopy, spine surgery, oncosurgery to replacement of joints and limb preservation with reconstruction are performed successfully by the team of doctors.

Rare Surgeries at KIMS

Vocal Cord growth removed by Laryngeal Endoscopic Surgery

Dr. Kabi Kanta Samantaraya, KIMS

A Vocal Cord growth on a patient was removed by Laryngeal Endoscopic Surgery performed by Dr. Kabi Kanta Samantaraya of KIMS through an instrument which is available only in KIMS. A 15o Endoscopy was used during this surgery aided by a High Definition camera. All types of vocal cord and voice surgeries can be performed smoothly with this instrument. Though expert training is needed it is more convenient than the conventional micro laryngeal surgery according to Dr. K. K. Samataray. Dr. N. Pradhan, Mr. S. Ghosh & Ms. M. Sahoo assisted in this case.

Life Saving Surgery at KIMS

Kalinga Institute of Medical Sciences (KIMS), a constituent of KIIT University, performed a life saving surgery on a 10-year girl, who was seriously injured after a fall from roof. Shubhashree Patra, daughter of B. R. Patra from Shaileshri Vihar, fell down from roof while playing resulting in penetration of rod at the infra-umbilical site. The patient came to KIMS unconscious with pulse was not palpable and BP not recordable. KIMS

surgical team immediately transferred the patient to OT and resuscitated her with immediate arrangement of blood. The abdomen was opened and found to have massive blood in the peritoneal cavity. It was also found that, renal vein was injured. After successful operation patient was shifted to ICU. At present she is out of danger and steadily recovering in ICU. Dr. A. Samanta, Founder, KIIT & KISS congratulated the surgeons and wished a speedy recovery of the patient.

Rare Abdominal Hernia Treated

A team of competent surgeons and anesthetists of KIMS conducted a surgery to treat Lumber hernia. Lumber hernia/Bleichner's hernia is a surgical entity without any standard method of repair. It has been infrequently reported with only about 300 cases in the English literature, 62 cases in Japanese journals and 11 cases in Korean journals. KIMS surgeon placed a mess to cure the defect. The patient was discharged in 7th day.

Limb Preservative Reconstructive Surgery at KIMS

One Bibhuti Bir, 24 years, came to KIMS with complaints of painless swelling around left knee joint for four months. The swelling, hard in consistency, was a fusiform swelling of metaphyseal end of tibia, extending 8 to 10 cm along longitudinal axis. In pathological tests, including biopsy, the tumor mass was detected as chondrosarcoma of tibia. Although amputation was the treatment of choice, surgeons at KIMS planned for limb sparing surgery as there was no nerve and major blood vessel involvement and tumor was highly locally malignant. A surgeons team comprising of Dr. D. Mishra, Asst. Prof (Ortho) conducted the surgery with the able guidance of Prof. U. N. Mishra. It was a four-hour surgery supported by anaesthetist Dr. Jagdish Mishra and team members of Anesthesia department. The dedicated team of paramedics of Orthopedic OT rendered all support for successful completion of surgery. Limb saving surgery, a treatment of choice in the present day, is now happening in our state – at KIMS. In patients suffering from malignant tumours, involving extremities in particular, previously amputation was being done. Nowadays reconstructive surgery with limb preservation is possible. KIMS, a hospitals with superspecialist care, sophisticated surgeries like arthroscopy, spine surgery, oncosurgery to replacement of joints and limb preservation with reconstruction are performed successfully by the team of doctors.

Baby with penile agenesis

A patient, aged 3 days old, reported KIMS with penile agenesis or absence of penis with anorectal malformation. The case also had bilateral rudimentary kidneys. Penile agenesis is a very rare condition which occurs due to an early embryologic failure in the development of the genital tubercle. It has an occurrence of one in 10 to 30 million live births. Anorectal malformation occurring with this is the rarest of the rare condition. It is believed that such children are best reared as female and that castration and reconstruction of the external genitalia should be performed at an early age. The patient was successfully operated at KIMS.

KIIT organises National Marketing Conclave

KIMS has performed over 50 total knee replacements this year, while more than 200 total knee & total hip replacement surgeries have been performed during last four years. In Odisha, this is the highest number of such surgeries performed by any hospital.

KIMS Performs Bilateral Knee Replacement on 80-Yr-Old

Mr. B. K. Mohanty, 82, was suffering from osteoarthritis knee (bilateral) since 10 years. He was not able to walk due to severe pain in knees for last five years. He was examined at KIMS and advised total knee replacement (TKR). Both knee of the patient were operated by Dr. B. K. Behera, Asst. Prof. Orthopedics and Dr. Jagdish Mishra of KIMS Anesthesia team. The patient recovered successfully and is now able to walk without support for one km. within only one month of surgery. KIMS has performed over 50 total knee replacements this year, while more than 200 total knee & total hip replacement surgeries have been performed during last four years. In Odisha, this is the highest number of such surgeries performed by any hospital. KIMS is also the first medical college to start joint replacement center in the State.

Intraduodenal Hematoma – A Rare Case

Intramural hematoma of the duodenum is a rare clinical entity, which usually follows trauma of the abdomen. A 25 years male was referred to KIMS casualty for pain in upper abdomen and persistent vomiting for three days and was initially admitted in the medicine ward with alcoholic gastritis. The patient was a known alcoholic and had a fall from motorbike. Evaluation with Upper GI endoscopy showed a bile in the stomach with duodenal luminal obstruction. Patient was jaundiced. Noncontrast CT scan of upper abdomen showed duodenal obstruction at the DJ flexure with dilated loops of duodenum. Surgery was done successfully by a team of dedicated doctors with complete decompression and evacuation of Hematoma, which was causing the duodenal obstruction with compression of CBD and duodenal luminal obstruction. Patient recovered well and was discharged on eighth day. This is a very rare clinical condition and its diagnosis is difficult. A high index of suspicion with appropriate timely intervention is the key to successful outcome. The surgery was conducted by Dr. A. Mishra, Asso. Prof. Surgery, his team and a team of dedicated Anaesthetist and supporting staff of KIMS.

Kalinga Institute of Medical Sciences

(Approved by Medical Council of India (MCI))

Kalinga Institute of Medical Sciences (KIMS), a constituent of KIIT University, offers a unique combination of experience and expertise. Located in an ultra-modern and eco-friendly campus, it has three wings-The Hospital, the Medical College (for MBBS course) and Biomedical Technology Unit. The Medical College offers MBBS course at the undergraduate level with an annual intake of 100 students. A high academic standard is maintained by an experienced and dedicated team of Professors, Clinicians and Scientists, who are engaged in teaching, research and developing technologies in health care. The course is approved by the Ministry of Health and Family Welfare, Government of India and Medical Council of India (MCI). The Medical College has 21 academic departments, providing the study, treatment and prevention of human diseases and maternity care.

HOSPITAL

The hospital, attached to the medical college, has earned reputation as an affordable hospital with modern facilities.

Key features of the hospital are:-

- 8 Modern Operation Theatres
- 5 ICU'S (including Pediatric and Neonatal ICU with ultra modern ventilator facility))
- Burns Care Centre
- 24 hour Casualty and Trauma Centre
- CT scan(MULTI SLICE), and X-ray (8 ma with image intensifier)
- Ambulance Services
- Polysonogram (PSG) study with all modalities probe
- 6 Computerized Dialysis Machines
- Phaco Emulsification
- Digital Endoscopes Cameras
- Sophisticated Laboratory Services
- Computerized Tomography scans facilities
- PACS (Picture Archival & Communication System) for X-Ray image reporting
- Auto-analyzers for simultaneous measurements of several hematological and biochemical parameters; and automated blood gas and electrolyte analyzers
- Computerized treadmill testing (stress testing)
- 3-D echo(real time), color Doppler and diagnostic ultrasound
- Pulmonary function laboratory and allergy testing

- Head and neck surgery (micro debrider procedures, nasopharyngoscopy)
- Electroencephalography (EEG), brain atlas and base of skull surgery
- Audiology laboratory and speech therapy unit. Cochlear implant for the profoundly deaf
- State of the art 'Laser treatment' in ophthalmology and dermatology
- Computerized gait analysis laboratory, total hip and knee replacement and Arthroscopic surgery
- Ultra modern immunization center
- 24 hour blood bank facility
- Round the clock pharmacy Voluntary donation based blood bank with HIV, HbsAg, HCV and VDRL screening
- Exclusive multi departmental dental clinics
- Artificial limb centre, physiotherapy and occupational therapy
- Alternative systems of medicine like Ayurveda and Yoga
- Pain clinic for relief of acute and chronic pain and pain associated with terminal stages of cancer

Candlelight Prayer for 26/11 Victims Held at KISS

I Wish to Become Brand Ambassador of KISS: Dr. Narendra Jadhav

More than 15,000 people, including tribal students of KISS and staffs of KIIT & KISS, participated in the mass prayer held on the occasion of third anniversary of the 26/11 terror attack.

Candlelight Prayer for 26/11 Victims Held at KISS

(L) Dr. P. K. Routray, CEO, KISS, Shri S. K. Mishra, D. I. G., CRPF, Group Center, Bhubaneswar, Dr. A. Samanta, Founder, KIIT & KISS, Shri S. N. Sabat, I.P.S., Inspector General, CRPF, Bhubaneswar and other senior officials at a candlelight prayer organised in KISS in memory of the bravehearts who lost their lives in Mumbai Terror Attack on 26.11.2008.

A candlelight prayer in memory of the brave hearts who lost their lives in 26/11 Mumbai Terror Attack was held at Kalinga Institute of Social Sciences (KISS) on 26th November 2011. More than 15,000 people, including tribal students of KISS and staffs of KIIT & KISS, participated in the mass prayer held on the occasion of third anniversary of the terror attack. Shri S. N. Sabat, IPS, Inspector General, CRPF, Bhubaneswar and Shri S. K. Mishra, IPS, DIG, CRPF Group Centre, Bhubaneswar graced the occasion as Chief Guest and Guest of Honour respectively.

Paying rich tribute to the martyrs who secured Mumbai from the terrorists, Shri Sabat said that such attacks can be curbed with active cooperation of people. In the present situation, it is duty of every citizen to be vigilant, he added. Speaking to the tribal students of KISS, Shri Mishra advised them to follow three 'D' – determination, discipline and dedication – for success in life. Shri S. K. Mishra participated in the operation to flush out terrorists holed at strategic locations in Mumbai during 2008 terror attack. Praying for the victims and martyrs, Dr. A. Samanta, Founder, KIIT & KISS said that people's resolve to root out terrorism is stronger than ever now. Among others, Dr. P. K. Routaray, CEO, KISS and Dr. Motilal Dash, Director (Academics) were present.

Students of KISS organised a candlelight prayer in memory of the bravehearts who lost their lives in Mumbai Terror Attack.

Dr. Narendra Jadhav, Hon'ble Member, Planning Commission & National Advisory Council, Govt of India addressing the students & staff of KISS during his visit to Campus.

I Wish to Become Brand Ambassador of KISS: Dr. Narendra Jadhav

"I wish to become the brand ambassador of Kalinga Institute of Social Sciences (KISS), if given an opportunity by its Founder, Dr. A. Samanta", said Dr. Narendra Jadhav, Hon'ble Member, Planning Commission and National Advisory Council, Govt. of India during his visit to the institute on 17th November 2011. He had come all the way to visit KISS, the largest tribal institute of the world, and interact with its 15,000 tribal children. Dr. Jadhav went around all the campuses of KIIT, besides gracing an interaction session with the tribal students of KISS. He also visited vocational training centres of KISS and commended efforts of Dr. Samanta for educational and all round development of tribal boys and girls. His visit to KISS was

illuminating, he said, while explaining the students about nine secrets of success in life. KISS is the only institute in the

Dr. H. P. Kumar, CMD, NSIC Visits KISS

Important Personalities Visit KISS

"I would be happy to be an advisor of KISS, if permitted"

--Dr. H. P. Kumar, CMD, National Small Industries Corporation

Dr. H. P. Kumar, CMD, NSIC Visits KISS

Dr. A. Samanta, Founder, KIIT & KISS felicitating Dr. H. P. Kumar, Hon'ble CMD, National Small Industries Corporation (NSIC) during his visit to KISS.

Hon'ble Chairman-cum-Managing Director of National Small Industries Corporation (NSIC), Dr. H. P. Kumar visited Kalinga Institute of Social Sciences (KISS) on 17th November 2011. He expressed satisfaction over the activities of KISS. Showering praise on various vocational training imparted to KISS students, he said these would help them attain self-sufficiency and help them for economic security. Dr. Kumar, who has been working in the field of self-employment of youths, assured all help for the development of vocational training in KISS. "I would be happy to be an advisor of KISS, if permitted", he said adding that he is keen to take forward vocational training activities of the institute. Dr. Samanta expressed his gratitude to Dr. Kumar for his visit. Among others, Mr. Satvinder Singh of NSIC, Dr. P. K. Routaray, CEO, KISS and Mr. R. N. Dash, Advisor, KIIT & KISS were present.

PROFILE:

Dr. H. P. Kumar is the Chairman-cum-Managing Director of National Small Industries Corporation, a Public Sector organization of Government of India. Credited with scripting a remarkable turnaround of National Small Industries Corporation (NSIC), he is one of the most successful leaders of India's corporate sector. During the financial year 2009 - 10, the corporation recorded a net profit of about Rs. 2,500 crore. Dr. Kumar is a professional Banker and a Management Expert with Doctorate Degree in Rural Industrialisation. He also held senior positions of Corporate Head of Finance & C.E.O. in public sector corporations. Dr. Kumar's vision is to provide a common platform to the youth from diverse economic background in the country to become self-employed or employable.

Important Personalities from U.K. Visit KISS

Important dignitaries from The U.K. The Right Honourable Mr. Andrew Mitchell MP, Secretary of State for International Development, The United Kingdom; His Excellency Mr. James David Bevan, British High Commissioner to India and Mr. Sam Sharp, Head, DFID, India visited KISS on 15th December 2011.

Speaking to 15,000 tribal students of KISS, Mr. Mitchell said that it is heartening to see that girls constitute almost half of the student mass of the institute. Britain and India are working together to develop the society through education, he said. Hailing KISS as a wonderful opportunity for underprivileged children to get education, he showered lavish praise on its Founder, Dr. A. Samanta for the noble initiative. "You are the most fantastic person, I have ever seen. You are an inspiration for me. I'm honoured to meet you", Mr. Mitchell remarked.

KISS is striving to bring tribal boys and girls into the mainstream society, said Mr. Bevan. It is the second visit of the British High Commissioner to India to KISS. He had interacted with the students of the institute during October this year. Mr. Sharp described various activities of DFID in Odisha for the development of agriculture, infant and maternity health and primary education. Dr. Samanta expressed gratitude to the visiting dignitaries and thanked them for their encouraging words.

"KISS is an inspiring place of education. I am honoured to be here and humbled by what I have seen. 'Dr. Samanta is the most fantastic person, I have ever met. You are an inspiration for me.'"

The Right Honourable Mr. Andrew Mitchell, Secretary of State for International Development, The United Kingdom and Dr. A. Samanta, Founder, KIIT & KISS with 15,000 tribal students of Kalinga Institute of Social Sciences (KISS).

(From L) Mr. Sam Sharp, Head, DFID, The Right Honourable Mr. Andrew Mitchell, Secretary of State for International Development, The United Kingdom, Dr. A. Samanta, Founder, KIIT & KISS and His Excellency Mr. James David Bevan, British High Commissioner to India in KISS.

PROFILE

The Right Honourable Andrew Mitchell is a British Conservative Party politician and the Member of Parliament (MP) for Sutton Coldfield. He was appointed as Secretary of State for International Development on 12 May 2010, and as a Privy Counsellor on 13 May 2010. A former UN peacekeeper, he has extensive pre-government experience of the developing world, and is the founder of Project Umubano, a Conservative Party social action project in Rwanda and Sierra Leone in central and west Africa, launched in 2007.

MEDIA ON KISS

Activities of KISS has attracted attention of leading national and international media. Eulogy and commendation for achievements of the institute have regularly featured in leading national magazines like The Week, India Today, Outlook, Society, Tehelka, Uday India, Swagat and Discover India, besides all national and local dailies. Of late, activities of KISS has been noticed and covered by leading international magazines and dailies like The Time, Wall Street Journal, South China Morning Post and Asia Post.

Children of a Lesser God

“ India has the largest number of what it calls adivasi, already topping 84 million in the 2001 census. Inhabiting a place beneath even India's low-caste hordes, exposed to disease, mostly illiterate and barely subsisting, adivasi make headlines when they join the Naxalites, a shadowy Maoist army that has recruited up to a quarter of the forest populace to their slow-motion warfare. The poorest, plucked from 64 indigenous peoples that make up nearly a quarter of the population of the eastern state of Odisha — its original name is Kalinga — are trained from kindergarten to grad school, free of charge in Kalinga Institute of Social Sciences. The man responsible

for all this is no stern Victorian educator. In the manner of all gurus, Achyuta Samanta is calm and beatific, dressed in blue jeans and sandals. Born into a deprived, widowed family of eight, he won a scholarship to study chemistry, then began KIIT with \$100 in his pocket and KISS with 125 children in 1992. His new aim is to educate 200,000 adivasi by the end of this decade. ”

South China Morning Post

December 6, 2011

(The South China Morning Post (SCMP), founded in 1903, is an English-language broadsheet daily newspaper in Hong Kong. It is one of widely read newspapers in Asia.)

Opportunity is the key word at Samanta's Kalinga Institute of Social Sciences, an enormous free school for marginalised indigenous children in India. With 15,000 students, the residential institute in Bhubaneswar, Odisha, is about to get a whole lot bigger. For the tenacious Samanta, a kind of guru/Horatio Alger, no goal seems unattainable. Samanta recently announced that he would open 20 smaller branches of his institute in remote tribal areas. He aims to educate 200,000 children from indigenous tribes before the end of this decade. The Kalinga Institute of Social Sciences started in 1993 with just 125 students. It now has a waiting list of 50,000 who want to take advantage of the free board and classes. It caters to children from kindergarten to graduate school. The dormitories are packed, and the food is basic. But the classes seem rigorous and thoroughly up to date. The US embassy even sponsors an English-readiness programme here. The students also excel at sports. Inspired by Fijian and Maori rugby stars, teachers started rugby lessons in the evenings, and the students became enthusiastic players. It's no wonder they made it to the world championship in Britain. Archery is another strong suit, in part because the children come from traditional hunting cultures. After the students have been to school in the city, few return to their villages to work. Alumni sometimes get jobs in computing, nursing and engineering. It takes "just one generation to be brought into the mainstream" for things to change, says Samanta.

KiiT International School

(A constituent of KIIT Group of Institutions & KIIT University)

Selfless Service - Endless Learning

Grade 11 & 12 IB Diploma & Grade 8,9,10 IGCSE

World School

IGCSE

KiiT International School is the first school in eastern India authorized to offer International Baccalaureate Diploma Programme (IBDP), Geneva.

79th Birth Anniversary of Late Pradyumna Kishore Bal celebrated at KISS

World Sight Day Celebrated at KISS

60 Passout Girls and Boys Appointed As Teachers

“As most eye problems occur due to negligence, they can be avoided with awareness.”

79th Birth Anniversary of Late Pradyumna Kishore Bal celebrated at KISS

Dr. Omkarnath Mohanty, eminent educationist, Shri Naveen Patnaik, Hon'ble Chief Minister of Odisha, Hon'ble Shri Justice N. Santosh Hegde, Fmr. Judge, Supreme Court of India, Smt. Dhobendri Mohapatra, social activist and Dr. A. Samanta, Founder, KIIT & KISS at the 79th Birth Anniversary of Late Pradyumna Bal.

The 79th Birth Anniversary of Late Pradyumna Bal, Noted Parliamentarian, Journalist and Founder President of KIIT & KISS was celebrated in KISS premises on 8th November 2011. Smt. Saswati Bal, President, KIIT & KISS; Dr. A. Samanta, Founder, KIIT & KISS; Ms. Bratati Bal; Ms. Mamata Mohapatra; Mr. Pratyush Bal, Prof. Ashok S. Kolaskar, VC, KIIT University; Dr. P. K. Routaray, CEO, KISS; Mr. Motilal Das, Director (Academic), KISS; Prof. Arjuu Sahu, Principal, KISS, Mr. D. P. Majumdar, Director, Sports, KISS; and Mr. P. K. Das, Livelihood Director, KISS were present on the occasion. Paying rich tribute to Late Pradyumna Bal, Dr. A. Samanta, said that contribution of Shri Bal in Odisha politics is unfathomable. His socialistic ideals, struggle and sacrifice for the people, especially for tribal, remain examples for other to emulate. The vision of Late Pradyumna Bal remains a guiding light for KIIT Group of Institutions and KISS, he said. Ms. Mamata Mohapatra, Dr. Ashok S. Kolaskar also spoke on the occasion.

World Sight Day Celebrated at KISS

World Sight Day-2011 was celebrated at Kalinga Institute of Social Sciences (KISS) in association with Departments of Community Medicine and Ophthalmology of Kalinga Institute of Medical Sciences (KIMS). As most eye problems occur due to negligence, they can be avoided with awareness, experts opined. Proper care of eyes at preliminary stage can help avoid eye disease, said Prof. R. N. Rout, Professor, S.P.M., KIMS. Diseases like cataract, and other eye problems which lead to blindness, can be treated with early detection. Signs and symptoms of eye disease begin to appear during the age group 10-15, said Dr. R. N. Samanta, CEO, KIMS, advising that everyone should undergo eye test during this time. Prof. A. K. Giri of KIMS informed about Vision-2020 of the UN. As a part of the World Sight Day celebration, total 700 students of KISS will undergo eye test at an eye screening camp at KISS from 13-14 October 2011. Dr. A. Samanta, Founder, KIIT & KISS thanked KIMS for the initiative. Mr. P. Parida of KIMS, Dr. Jyotin Das, Mr. R. N. Dash, Advisor, KIIT & KISS and Dr. P. K. Routaray, CEO, KISS were present on the occasion.

Dr. P. K. Routaray, CEO, KISS, Mr. P. Parida, MR, KIMS, Mr. R. N. Dash, Advisor, KIIT & KISS, Dr. A. Samanta, Founder, KIIT & KISS, Dr. R. N. Samanta, CEO, KIMS at a ceremony to observe World Sight Day.

60 Passout Girls and Boys Appointed As Teachers

Pedagogy in KISS is designed in such a way that after completion of education, a student not only passes out with a degree of higher education, but also walks out of KISS campus with assured job or self employment opportunity for smooth livelihood. In this context, in the current year postgraduate pass-outs of KISS with appropriate skills have been appointed as teachers in various institutions.

KISS PLACEMENT

No one had ever thought that Kalinga Institute of Social Sciences (KISS) would change the connotation of 'tribal' so much. It has been bringing about a silent revolution in the lives of the 'unreached'. Empowerment is now reaching remote and inaccessible tribal dominated regions and transforming the social and economic set up of tribal communities. It is no small achievement. Because of this change, they are no more dependent upon forests. They need not struggle as daily wage labourers. On the contrary, tribal youths are becoming engineers and doctors, and joining other coveted professions. With the help of KISS, tribals are now taking confident steps towards a better future.

Over the years, tribal students of KISS have crossed many milestones in the fields of education, sports and culture. However, their success in corporate world, achieved on their own merits without the aid of any reservation, has surprised everyone. KISS students, who had taken admission in professional courses of KIIT University like Engineering and Medical in 2007, appeared the campus placement alongside the general category students of 2012 pass out batch. Tribal students of KISS, from remote and inaccessible villages, could get placement in internationally reputed companies like Tata Consultancy Services (TCS), Accenture and Wipro.

SPORTS & GAMES

KISS Champion in All India Rugby Tournament

KISS became champion in both Under-16 Girls' and Under-20 Boys' All India Rugby Tournament held at Ranchi, Jharkhand from 24th to 26th November 2011. In the Girls' Tournament, KISS won the first league match against Bihar 52-0. KISS girls defeated Jharkhand and YRC 38-0 and 51-0 respectively in the next two league matches. The Semi-final match was played between KISS and Kerala, where KISS won the match 41-0. KISS girls won the Tournament by defeating Jungle Crow by a margin of 26-0.

In Boys' Tournament, KISS defeated Bihar 49-0 in the first league match. KISS Boys' defeated Delhi and Jammu & Kashmir in next two league matches. They won the tournament by defeating Bhubaneswar 49-0 in Quarter-final, Jungle crow 23-10 in Semi-final and Future Hope 14-7 in Final. Expressing his satisfaction, Dr. A. Samanta, Founder, KIIT & KISS congratulated both the winner teams.

KISS Girl in Odisha Sub-Junior Kabaddi Team

Kabita Sisha, a Class six student of Kalinga Institute of Social Sciences (KISS) has been selected in Odisha girls sub junior kabadi team for participating in 23rd National sub junior Kabadi championship scheduled to be held at Hyderabad from 4th to 7th November 2011. The team will visit Hyderabad on 2nd November 2011. Kabita, who belongs to a Bonda primitive tribe comes from Sileiguda of Malkanagiri. It is for the time, a bonda girl has been selected in Odisha Sub-Junior Kabaddi team for participating in National Sub-Junior Kabaddi Championship. Expressing his satisfaction Dr. A. Samanta, Founder, KIIT-KISS congratulating Kabita and said, it is a matter of pride that, a Bonda girl is now could able to participate in National level sport. Due to continuous effort of KISS more tribal students would be in most of National level game in near future, said Dr. Samanta.

All India Inter Zone University Tennis Women Championship

All India Inter-University Tennis Tournament (Women) was organised in KIIT University Tennis Complex. Delhi University completed a creditable double by winning the team title in the Tournament. Riding on Prerna Bhambri's commanding performance, Delhi University blanked Mumbai University in the final 2-0. Jain University finished third, defeating Madras University 2-1. Earlier on Saturday, Delhi University bagged the open doubles title, beating Mumbai University 8-3 in the final.

Results: Team final: Delhi University bt Mumbai University 2-0 (Prerna Bhambri bt Shradha Dali 6-0, 6-1; Prerna Bhambri-Garima Vatwani bt Shradha Dali-Nupur Kaul 6-2, 6-2).

Third Place: Jain University bt Madras University 2-1 (Preethi Srinivasan bt Prerna Prathap 6-1, 6-0; Prerana Prathap-Prathana Prathap bt Preethi Srinivasan-Sumalya Harikiran 6-0, 4-6, 6-1; Prathana Prathap bt Sumalya Harikiran 6-0, 6-0).

Prize ceremony of All India Inter Zone University Tennis Women Championship.
